1. Meeting notes of August 19 were circulated with no revisions.
2. Voly Day Sept 19 – Adrian. Volunteer day on Sunday September 19<sup>th</sup>. About 24 people have signed up. Waivers and sign up have happened on line. Projects are pre set up. Projects are Lumpies buff and feature rebuilds, Sweet tears brushing, Lower Schizo exit. Lower Triangle root ball, Gypsy Tears/Paranoia Right Buff.
3. Lewiston Ultra update – email from Kara Leinweber: The virtual Shuswap Ultra will run from Sept 17-27 and they will do two activations in the community. They plan to support those that chose to run the unmarked unsactioned route as a group run or training run. She understands there are still many out of town folks planning to come out as they have hotel, etc. booked and want to show support and run the gorgeous route.
4. Signage update: Adrian
  - a. Metford FSR intersections – those are up. Lower Schizo planned for work on Sunday. This can be taken off future agenda.
  - b. Secwepemc Landmarks Sentinel project – the elders will hold a blessing on Friday Sept 17.
5. Winter trail grooming: Dan
  - a. Storage container – the winter grooming group has still not determined the site, but the previous ‘party pit’ seems likely.
6. Parking lot redesign: Adrian
  - a. Gazebo – should begin soon, but only footing expected to be done this fall.
  - b. The city will be fencing off the grassy area to prevent vehicles moving off the parking area.
7. ORV (off road vehicle) access around gate – Chris Lynd will work with Adrian on a request to the city. There is concern about small trucks using it if it is wide enough.
8. EQ upper loop route: Jim/Adrian – No further progress. It will take a champion from the EQ users to make this happen.
9. Ida View – creek crossing bridge – nothing has happened since spring activity – gates are in place. Work will continue as a winter project.
10. Brushing at radio tower – on hold due to Mark being pre-occupied otherwise. Maybe remove this from future agenda items unless mark brings it up again in the spring.

11. Potential Black Road to South Canoe link: on hold. Remove this from future agenda Items unless there is movement on this.
12. Gathering points on trails in the Lowe Malibu area – Ceren Caner from the Outdoor School will establish some cleared areas so that groups can move off the trails easily.

13. Salty Dog – May 14-16, 2021 – cancelled.
14. Other dates: Cyclocross – tbd, Lewiston Ultra - Sept 25/26, 2021.
15. Next meeting October 21, 7 pm, via Zoom.
