

**Position Title: Trail Crew (Pending Funding)**

**Available: starting April 2017**

The Shuswap Trail Alliance is looking to recruit highly motivated team members ready to assist in the day-to-day implementation of 2017 Shuswap Trail building and maintenance field projects. Positions include field experience on a variety of trail development and maintenance projects, opportunities for workplace related training, and the chance to help facilitate the growing legacy of the Shuswap Trail network. Candidates should clearly state their level of competency and related skills/abilities in a resume. The Trail Crew are seasonal positions to commence April, and dependent on available funding. Compensation to be negotiated and commensurate with experience.

The position includes:

- Clearing corridor and building tread
- Building boardwalks, stairs and stiles
- Trail maintenance, clearing, & pruning
- Sign design and installation
- Planning assistance

Required/Desired skills and abilities:

- Knowledge of trail design and construction techniques
- Carpentry skills
- First aid level 1 and transportation endorsement
- S100 forestry fire fighting
- Back-country safety
- Class 5 driver's license
- Knowledge of safe use of chainsaw, power tools and hand tools

The Trail Crew reports to the Project Operations Manager with the Shuswap Trail Alliance.

**To Apply:** send a resume via email to [admin@shuswaptrails.com](mailto:admin@shuswaptrails.com) with subject clearly labelled "Resume for Trail Crew Position."
